### **2. Resolution 1 – Adoption of Remuneration Report**

#### **2.1 Background**

Resolution 1 is an ordinary resolution to approve the Remuneration Report. The Remuneration Report is set out in the Directors' report which forms part of the 2024 Annual Report.

The vote on Resolution 1 is advisory only and does not bind the Board or the Company. Notwithstanding this, the Board will take the outcome of the vote into consideration when considering remuneration policy of the Company going forward.

#### **2.2 Background**

Section 250R(2) of the Corporations Act requires a listed public company put a resolution to its shareholders that the remuneration report set out in the directors' report for the preceding financial year be adopted. The resolution is advisory only and does not bind the relevant company or its directors.

If 25% or more of votes that are cast on the resolution are voted against the adoption of the remuneration report at two consecutive annual general meetings of a company, its shareholders will be required to vote at the second of those annual general meetings on a resolution that a further meeting be held within 90 days at which all of the offices of director are vacated (other than the office of managing director) and each such office will be put to a vote.

A voting exclusion statement for Resolution 1 is included in the Notice preceding this Explanatory Statement

### 2.3 **Directors' recommendation**

The Directors decline to make a recommendation as to how Shareholders should vote in respect of Resolution 1 as they each have an interest in the outcome of the Resolution.

## 3. **Resolution 2 – Re-election of Director – Mr Greg Hancock**

### 3.1 **Background**

Resolution 2 is an ordinary resolution seeking Shareholder approval for the re-election of Mr Greg Hancock as a Director of the Company. Mr Hancock has been a Director of the Company since 6 February 2017.

### 3.2 **Listing Rule and Constitutional Requirements**

Listing Rule 14.4 requires that a Director (other than the Managing Director) shall not continue in office for a period past the third annual general meeting following the director's appointment or 3 years, whichever is the longer, without submitting to re-election.

In accordance clause 7.3 of the Constitution, at every Annual General Meeting, one third of the Directors for the time being must retire from office and are eligible for re-election. The Directors to retire are:

- (a) those who have been in office for 3 years since their appointment or last re-appointment;
- (b) those who have been longest in office since their appointment or last re-appointment;  
or
- (c) if the Directors have been in office for an equal length of time, by agreement.

Mr Hancock retires by rotation and offers himself for re-election as a Director.

### 3.3 **Biography – Greg Hancock – BA (Econs); B Ed (Hons) F Fin**

Mr Hancock has over 25 years' experience in capital markets practicing in the area of Corporate Finance. He has extensive experience in both Australia and the United Kingdom. In this time, he has specialised in mining and natural resources and has a background in the finance and management of small companies. Mr Hancock is currently a director of ASX listed companies AusQuest Ltd, Triangle Energy (Global) Ltd, where he serves as Chairman, Group 6 Metals Limited and Golden State Mining Limited as a non-executive director. Mr Hancock is Chairman of LSE listed Cobra Resources Plc.

Mr. Hancock has been a director of BMG Resources Limited since 6 February 2017.

### 3.4 **Resolution**

If Resolution 2 is passed, Greg Hancock will be re-elected as a Non-Executive Director of the Company.

If Resolution 2 is not passed, Greg Hancock will not be re-elected and he will retire as a Director. The Board may consider an appointment to fill a casual vacancy pursuant to the Constitution, with ratification at the Company's next AGM.

### 3.5 **Directors' recommendation**

The Directors (other than Mr Hancock) recommend that Shareholders vote in favour of Resolution 2.

#### **4. Resolution 3 – Ratification of prior issue of Placement Shares to Placement Participants**

##### **4.1 Background**

On 17 June 2024 the Company announced that it had raised \$500,000 (before costs) by the issue of a total of 50,000,000 Shares (**Placement Shares**) to persons who are sophisticated and institutional investors (**Placement Participants**) at \$0.01 per Share (**Placement**).

The Placement was conducted without shareholder approval using the Company's issuing capacity under Listing Rule 7.1A. The Placement Shares were issued by the Company on 25 June 2024

##### **4.2 Listing Rules requirements**

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issued at the start of that period.

Listing Rule 7.1A provides that, in addition to issues permitted without prior shareholder approval under Listing Rule 7.1, an entity that is eligible and obtains shareholder approval under Listing Rule 7.1A at its annual general meeting may issue or agree to issue during the period the approval is valid an additional number of equity securities which represents 10% of the number of fully paid ordinary securities on issue at the date of the approval, as adjusted in accordance with the formula in Listing Rule 7.1A. Having obtained Shareholder approval at the Company's annual general meeting on 21 November 2023, the Company has an additional placement capacity under Listing Rule 7.1A.

The issue of the Placement Shares did not fit within any of the exceptions to Listing Rule 7.1 set out in Listing Rule 7.2 and, as it has not yet been approved by the Company's shareholders, it effectively uses up part of the 10% additional limit in Listing Rule 7.1A, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1A for the 12 month period following 25 June 2024.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule. Listing Rule 7.4 also provides that an issue made in accordance with Listing Rule 7.1A can be approved subsequently under Listing Rule 7.4.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues.

##### **4.3 Resolution**

Resolution 3 seeks ratification and approval by Shareholders of the prior issue of the Placement Shares to Placement Participants, so as to restore the capacity of the Company to issue further securities under Listing Rule 7.1A.

##### **4.4 Information required by Listing Rule 14.1A**

If Resolution 3 is passed, the issue will be excluded in calculating the Company's 10% additional limit in Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without shareholder approval under that rule.

If Resolution 3 is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1 / 10% additional limit in Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without shareholder approval under that rule.

#### 4.5 Listing Rules information requirements

In accordance with the disclosure requirements of Listing Rule 7.5, the following information is provided in relation to Resolution 3:

(a) **Names of persons to whom the Company issued the securities and the basis on which those persons were identified**

Placement Shares were issued to Placement Participants, being various professional and sophisticated investors identified by GBA Capital Pty Ltd (the Lead Manager to the Placement, refer Section 5.1 below) or the Company directly.

Each Placement Participant is a sophisticated or professional investor within the meaning of section 708(8), (10) or (11) of the Corporations Act, being an investor to whom securities may be issued without a prospectus or other disclosure document.

The Placement Participants include a substantial holder of the entity's shares, however he has not been issued more than 1% of entity's current issued capital. None of the other Placement Participants are Related Parties, key management personnel or advisers of the Company, or Associates of any such persons.

(b) **The number and class of securities issued**

Under the Placement, the Company issued 50,000,000 Shares. The shares were issued within the Company's additional placement capacity under Listing Rule 7.1A.

All Placement Shares were fully-paid ordinary shares in the Company which rank equally with all other Shares on issue.

(c) **The date on which the securities were issued**

The Placement Shares were issued by the Company on 25 June 2024.

(d) **The price at which the securities were issued**

The Placement Shares were issued at \$0.01 each to raise \$500,000 (before costs).

(e) **The purpose of the issue, including use or intended use of the funds raised**

The purpose of the Placement was to raise capital. The funds were applied by the Company to general working capital, for purposes including consulting and corporate costs.

(f) **If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement**

27,800,000 of the Placement Shares were issued under commitments provided to the Lead Manager, which provided for:

- (i) each Placement Participant's agreement to subscribe for the Placement Shares at \$0.01 per Share;
- (ii) payment of the issue price of the Placement Shares by Placement Participants to the Company before the Placement Shares were issued; and
- (iii) the Company's agreement to issue the Placement Shares following receipt of the issue price.

The remaining 22,200,000 shares were issued pursuant to an agreement between the Company and other brokers or investors. Fees payable in relation to the issue of these 22,200,000 shares amounted to \$7,680 (exclusive of GST).

(g) **Voting exclusion statement**

A voting exclusion in relation to Resolution 3 is included in the Notice preceding this Explanatory Statement.

4.6 **Directors' recommendations**

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3 as it will refresh the Company's issuing capacity under Listing Rule 7.1A and give the Company the flexibility to raise additional working capital through the offer and issue of equity securities, if and as required.

The Board believes that the ratification of the issue of the Placement Shares under Resolution 3 is beneficial for the Company as it allows the Company to retain the flexibility to issue further securities representing up to 10% annual placement capacity under Listing Rule 7.1A without the requirement to obtain prior Shareholder approval. Accordingly, the Board recommends Shareholders vote in favour of Resolution 3.

5. **Resolution 4 – Ratification of prior issue of Lead Manager Options**

5.1 **Background**

GBA Capital Pty Ltd (the **Lead Manager**) acted as lead manager to the Placement described in Section 3.1 above, through which the Company placed 27,800,000 Shares to investors introduced by the Lead Manager, and 22,200,000 Shares to investors approached by the Company directly.

The Company and the Lead Manager entered into an agreement (**Mandate Agreement**) for the engagement of the Lead Manager pursuant to which the Lead Manager agreed to act as lead manager, broker and bookrunner to the offer of Shares under the Placement.

Pursuant to the terms of the Mandate Agreement, the Lead Manager was engaged on an exclusive basis to provide the following services to the Company in respect of the Placement:

- (a) lead managing the Placement (including overall project management and development and management of the Placement timetable in conjunction with the Company);
- (b) advising on the timing and structuring of the Placement in conjunction with the Company's legal and other professional advisers;
- (c) completing the book build process (in conjunction with the Company and other advisers, as applicable);
- (d) managing the allocation process in direct consultation with the Company;
- (e) assisting in the drafting by the Company and its other advisors of the disclosure document and any other marketing documentation required in connection with the Placement;
- (f) coordinating settlement processes between the Lead Managers and the Company, and subscribers to the Placement; and
- (g) assisting with the communications strategy in relation to the Placement.

For performing these services, the Lead Manager was paid a capital raising fee of \$21,120 (plus GST), representing 2% of the total funds raised (\$500,000), plus 4% of the funds raised from investors introduced by the Lead Manager (being \$278,000).

Under the Mandate Agreement, the Lead Manager (or its nominee) was also entitled to be granted 5,000,000 Options (**Lead Manager Options**).

The Lead Manager Options were issued to Bowden Minerals Pty Ltd <Bowden A/C> (a nominee of the Lead Manager) on 25 June 2024, without shareholder approval using the Company's issuing capacity under Listing Rule 7.1. The issue did not breach Listing Rule 7.1 at the date of issue.

## 5.2 Listing Rules requirements

As outlined in Section 4.2 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issued at the start of that period.

The issue of the Lead Manager Options did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by the Company's shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the issue of the Lead Manager Options, being 25 June 2024.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

## 5.3 Resolution

Under Resolution 4, the Company seeks from Shareholders approval for, and ratification of, the issue of the 5,000,000 Lead Manager Options, so as to restore the capacity of the Company to issue further securities under Listing Rule 7.1 in the next 12 months.

## 5.4 Information required by Listing Rule 14.1A

If Resolution 4 is passed, the issue will be excluded in calculating the Company's 10% additional limit in Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without shareholder approval under that rule.

If Resolution 4 is not passed, the issue will be included in calculating the Company's 10% additional limit in Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without shareholder approval under that rule.

## 5.5 Listing Rule information requirements

In accordance with the requirements of Listing Rule 7.5, the following information is provided in relation to Resolution 4:

(a) **The names of the persons to whom the securities were issued or the basis on which those persons were determined**

The Lead Manager Options were issued to Bowden Minerals Pty Ltd <Bowden A/C>, a nominee of GBA Capital Pty Ltd, being the Lead Manager to the Placement.

Neither Bowden Minerals Pty Ltd nor GBA Capital Pty Ltd are Related Parties of the Company.

(b) **The number and class of securities issued**

The Company issued 5,000,000 Lead Manager Options, being options to subscribe for Shares in the Company.

(c) **A summary of the material terms of the securities**

The Lead Manager Options have an exercise price of \$0.02 each and expire on 25 June 2027, and otherwise have the terms set out in Schedule 1.

(d) **The date on which the securities were issued**

The Lead Manager Options were issued on 25 June 2024.

(e) **The price or consideration the entity has received or will receive for the issue**

The Lead Manager Options were issued as part consideration for services rendered by the Lead Manager in connection with the Placement under the Mandate Agreement as described in Section 5.1 above. As such, the Lead Manager Options were issued for a nil issue price and no consideration was received.

(f) **The purpose of the issue, including use or intended use of the funds raised**

The Lead Manager Options were granted to satisfy the Company's obligations under the Mandate Agreement.

No funds were raised from the issue of the Options.

If all the Lead Manager Options are exercised prior to expiry, the Company will raise up to \$100,000 on receipt of the exercise price for the Options and the Company anticipates it will use those funds for working capital purposes as required at that time.

(g) **If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement**

The Lead Manager Options were issued pursuant to the Mandate Agreement, the material terms of which are summarised at Section 5.1 above.

(h) **Voting exclusion statement**

A voting exclusion statement for Resolution 4 is included in the Notice preceding this Explanatory Statement

5.6 **Directors' recommendation**

The Board believes that the ratification of the issue of the Lead Manager Options under Resolution 4 is beneficial for the Company as it allows the Company to retain the flexibility to issue further securities representing up to 15% of the Company's share capital during the next 12 months without the requirement to obtain prior Shareholder approval. Accordingly, the Board recommends Shareholders vote in favour of Resolution 4.

6. **Resolution 5 – Ratification of prior issue of Facilitator Fee Options**

6.1 **Background**

On 8 February 2024, the Company announced that it entered into a binding agreement (**Opportunity Agreement**) for an exclusive option to acquire a 90% interest in three exploration licences (one granted and two in application) located in the West Arunta region of Western Australia (**Project Opportunity**).

The agreement was entered into with HJH Nominees Pty Ltd and provided the Company an exclusive option period of 55 days (i.e. until 1 April 2024) for the Company to consider the Project Opportunity.

If the Company exercised the option relating to the Project Opportunity, then the Company would have been required to pay consideration in the form of cash and Shares. On 2 April 2024

the Company announced to ASX that it had elected not to exercise the option relating to the Project Opportunity.

As the fee for introducing the Project Opportunity to the Company and facilitating the signing of the Opportunity Agreement, the Company agreed to pay a fee to an adviser, Cong Ming Limited (or its nominee).

The fee was 25,000,000 unlisted options in BMG with an exercise price of \$0.02 and expiry of 6 February 2026 (**Facilitator Fee Options**). Cong Ming Limited is not a related party of the Company.

The Facilitator Fee Options were issued on 12 March 2024 to the following persons:

- (a) Japan and China Holdings Pty Ltd, which was issued 10,000,000 Options;
- (b) Mr Xiaodong Ma, who was issued 8,000,000 Options; and
- (c) Joyce Shing Yu Lee, who was issued 7,000,000 Options,

each being nominees of Cong Mining Limited. The Facilitator Fee Options were issued without Shareholder approval, using the Company's issuing capacity under Listing Rule 7.1. The issue did not breach Listing Rule 7.1 at the date of issue.

## 6.2 Listing Rules requirements

As outlined in Section 4.2 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issued at the start of that period.

The issue of the Facilitator Fee Options did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by the Company's shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the issue of the Facilitator Fee Options.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

## 6.3 Resolution

Under Resolution 5, the Company seeks from Shareholders approval for, and ratification of, the issue of the 25,000,000 Facilitator Fee Options, so as to restore the capacity of the Company to issue further securities under Listing Rule 7.1 in the next 12 months.

## 6.4 Information required by Listing Rule 14.1A

If Resolution 5 is passed, the issue of the 25,000,000 Facilitator Fee Options will be excluded in calculating the Company's remaining capacity under Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval before 7 February 2025, being 12 months since the Company agreed to issue the Options

If Resolution 5 is not passed, the issue of 25,000,000 Facilitator Fee Options will be included in calculating the Company's remaining capacity under Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval before 7 February 2025, being 12 months since the Company agreed to issue the Options.

## 6.5 Listing Rules information requirements

In accordance with the requirements of Listing Rule 7.5, the following information is provided in relation to Resolution 5:

(a) **The names of the persons to whom the securities were issued or the basis on which those persons were determined**

The 25,000,000 Facilitator Fee Options were issued to nominees of Cong Ming Limited, an adviser to the Company in respect of the Project Opportunity discussed in Section 6.1 above. These nominees were:

- (i) Japan and China Holdings Pty Ltd, which was issued 10,000,000 Options;
- (ii) Mr Xiaodong Ma, who was issued 8,000,000 Options; and
- (iii) Joyce Shing Yu Lee, who was issued 7,000,000 Options.

Neither of the abovenamed parties, nor Cong Ming Limited, are related parties of the Company.

(b) **The number and class of securities issued**

The Company issued a total of 25,000,000 Facilitator Fee Options in the proportions set out in Section 6.1 above, being options to subscribe for Shares.

(c) **A summary of the material terms of the securities**

The Facilitator Fee Options have an exercise price of \$0.02 each and expire on 6 February 2026, and otherwise have the terms set out in Schedule 2.

(d) **The date on which the securities were issued**

The Facilitator Fee Options were issued on 12 March 2024.

(e) **The price or consideration the entity has received or will receive for the issue**

The Facilitator Fee Options were issued in connection with the introduction of the Project Opportunity to the Company and facilitating the signing of the Opportunity Agreement. Accordingly, the Facilitator Fee Options were issued for a nil issue price and no consideration was received.

(f) **The purpose of the issue, including use or intended use of the funds raised**

The Facilitator Fee Options were granted to satisfy the Company's obligation to issue the Options to Cong Ming Limited or its nominee(s).

No funds were raised from the issue of the Options. If all of the Facilitator Fee Options are exercised prior to expiry, the Company will raise up to \$500,000 on receipt of the exercise price for the Options and the Company anticipates it will use those funds for working capital purposes as required at that time.

(g) **If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement**

The Facilitator Fee Options were issued to satisfy an obligation between the Company and Cong Ming Limited in connection with the Project Opportunity as described in Section 6.1 above. There were no other material terms to the agreement between the Company and Cong Ming Limited.

(h) **Voting exclusion statement**

A voting exclusion statement for Resolution 5 is included in the Notice preceding this Explanatory Statement.

6.6 **Directors' recommendation**

The Board believes that the ratification of the issue of the Facilitator Fee Options under Resolution 5 is beneficial for the Company as it allows the Company to retain the flexibility to issue further securities representing up to 15% of the Company's share capital during the next 12 months without the requirement to obtain prior Shareholder approval. Accordingly, the Board recommends Shareholders vote in favour of Resolution 5.

7. **Resolutions 6(a) and 6(b) – Ratification of prior issue of Investor Relations Provider Options**

7.1 **Background**

On 27 February 2024 the Company executed an agreement with Reign Advisory Pty Ltd (**Service Provider**) for the provision of ongoing investor and media relations advice, as well as ad-hoc corporate advisory services (**Service Agreement**).

Under the Services Agreement, the Company pays a monthly retainer fee of \$5,000 per month (exclusive of GST) to the Service Provider in exchange for its services.

In addition to this monthly retainer fee, under the Services Agreement, the Company agreed to issue a total of 4,000,000 Options (**Investor Relations Provider Options**) to Reign Advisory Pty Ltd or its nominee.

These Options were issued on 11 March 2024 to SCKLD Investments Pty Ltd (being the nominee of the Service Provider) in two separate tranches, as described below:

- (a) 2,000,000 Options each exercisable at \$0.03 expiring on 11 March 2027 (**Tranche 1 Investor Relations Provider Options**); and
- (b) 2,000,000 Options each exercisable at \$0.04 expiring on 11 March 2027 (**Tranche 2 Investor Relations Provider Options**).

Reign Advisory is not a related party of the Company.

The Investor Relations Provider Options were issued without shareholder using the Company's issuing capacity under 7.1

The Investor Relations Provider Options were issued without Shareholder approval, using the Company's issuing capacity under Listing Rule 7.1. The issue did not breach Listing Rule 7.1 at the date of issue.

7.2 **Listing Rules requirements**

As outlined in Section 4.2 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issued at the start of that period.

The issue of the Investor Relations Provider Options did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by the Company's shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the issue of the Investor Relations Provider Options.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of securities after it has been made or agreed to be made. If they do, the issue is taken to have been

approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

### 7.3 Resolutions

Resolutions 6(a) and 6(b) are separate resolutions.

### 7.4 Information required by Listing Rule 14.1A

If Resolution 6(a):

- (b) is not passed, the Tranche 1 Investor Relations Provider Options will be included in calculating the Company's remaining capacity under Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval before 27 February 2025.

If Resolution 6(b):

- (c) is passed, the Tranche 2 Investor Relations Provider Options will be excluded in calculating the Company's remaining capacity under Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval before 27 February 2025; and
- (d) is not passed, the Tranche 2 Investor Relations Provider Options will be included in calculating the Company's remaining capacity under Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval before 27 February 2025.

each being options to subscribe for Shares.

**(c) A summary of the material terms of the securities**

- (ii) Tranche 2 Investor Relations Provider Options (the subject of Resolution 6(b)) are each exercisable at \$0.04 expiring on 11 March 2027,

and otherwise have the terms set out in Schedule 3.

**(d) The date on which the securities were issued**

- (ii) Tranche 2 Investor Relations Provider Options (the subject of Resolution 6(b)) are exercised prior to expiry, the Company will raise \$80,000,

and the Company anticipates it will use those funds for working capital purposes as required at that time.

**(g) If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement**

The Investor Relations Provider Options were issued pursuant to the Service Agreement, the material terms of which are summarised at Section 7.1 above. The Service Agreement was otherwise on terms standard for an agreement of its kind.

(h) **Voting exclusion statement**

Voting exclusion statements for Resolutions 6(a) and 6(b) are included in the Notice preceding this Explanatory Statement.

7.6 **Directors' recommendation**

The Board believes that the ratification of the issue of the Investor Relations Provider Options under Resolutions 6(a) and 6(b) would be beneficial for the Company as it allows the Company to retain the flexibility to issue further securities representing up to 15% of the Company's share capital during the next 12 months without the requirement to obtain prior Shareholder approval. Accordingly, the Board recommends Shareholders vote in favour of Resolutions 6(a) and 6(b).

**8. Resolution 7: Approval of Additional Placement Facility**

8.1 **Background**

Listing Rule 7.1A enables eligible entities to issue Equity Securities of up to 10% of its issued ordinary share capital through placements over a 12 month period following the entity's annual general meeting (or, if earlier than 12 months, until the entity's next annual general meeting, or the time and date of an approval of the entity's shareholders of a transaction under Listing Rule 11.1.2 or 11.2) (**Additional Placement Facility**). The Additional Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less, as at the time of the entity's annual general meeting. The Company is an eligible entity for these purposes.

Equity Securities issued under the Additional Placement Facility must be the same as an existing class of Equity Securities of the Company quoted on ASX.

As at the date of this Notice, the Company has only one class of quoted Equity Securities on issue, being Shares.

The exact number of Equity Securities that the Company may issue under the Additional Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 8.5(d) below).

8.2 **Listing Rules requirements**

As outlined in Section 4.2 above, broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

8.3 **Resolution**

Resolution 7 seeks Shareholder approval to enable the Company to issue Equity Securities under the Additional Placement Facility. The effect of Resolution 7 will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the period set out below.

Resolution 7 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at the Annual General Meeting (in person or by proxy).

#### 8.4 **Information required by Listing Rule 14.1A**

If Resolution 7 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rule 7.1 and 7.1A without any further Shareholder approval.

If Resolution 7 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

#### 8.5 **Listing Rule information requirements**

The following information is provided in relation to Resolution 7, as required by Listing Rule 7.3A:

##### (a) **Period over which approval will be valid**

If Shareholders approve Resolution 7, the Company will have a mandate to issue Equity Securities under the Additional Placement Facility under Listing Rule 7.1A from the date of the Annual General Meeting until the earlier of the following to occur:

- (i) the date that is 12 months after the date of the Annual General Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(the **Additional Placement Period**).

The Company will only issue and allot Equity Securities during the Additional Placement Period.

##### (b) **Minimum price at which equity securities may be issued**

Equity securities issued under the Additional Placement Facility must be in the same class as an existing class of quoted Equity Securities of the Company. As at the date of this Notice of Annual General Meeting, the Company has on issue one class of quoted Equity Securities, being Shares.

The issue price of Equity Securities issued under the Additional Placement Facility must not be lower than 75% of the volume weighted average price for securities in the same class calculated over the 15 trading days on which trades in that class were conducted immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date above, the date on which the Equity Securities are issued.

##### (c) **Purposes for which funds may be used**

The Company does not currently have any intention to issue Equity Securities using the Additional Placement Facility. However, it may seek to issue the Equity Securities to raise funds in connection with business growth, to acquire new assets or make investments, to develop the Company's existing assets and operations, and / or for general working capital purposes.

The Company will provide further information at the time of issue or proposed issue of any Equity Securities under the Additional Placement Facility in compliance with its disclosure obligations under Listing Rules 7.1A.4 and 3.10.3.

(d) **Risk of economic and voting dilution**

The precise number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the following formula:

$$\text{Additional Placement Facility} = (A \times D) - E$$

Where:

**A** = the number of fully-paid ordinary securities on issue 12 months before the date of issue or agreement:

- plus the number of fully-paid ordinary securities issued in the 12 month period immediately preceding the date of the issue or agreement (**Relevant Period**) under an exception in Listing Rule 7.2 other than exception 9, 16, or 17;
- plus the number of fully-paid ordinary securities issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
  - the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
  - the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of fully-paid ordinary securities issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
  - the agreement was entered into before the commencement of the Relevant Period; or
  - the agreement or issue was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the Relevant Period with approval under Listing Rule 7.1 or Listing Rule 7.4;
- plus the number of partly-paid ordinary securities that became fully-paid in the Relevant Period;
- less the number of fully-paid ordinary securities cancelled in the Relevant Period;

**D** = 10%; and

**E** = the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

Any issue of equity securities under the Additional Placement Facility will dilute the interests of Shareholders who do not receive Shares under the issue.

If Resolution 7 is approved and the Company issues equity securities under the Additional Placement Facility, then there is a risk to existing Shareholders of economic and voting dilution, including the risk that:

- (i) the market price for equity securities in the same class may be significantly lower on the issue date of the new equity securities than on the date of the Meeting; and
- (ii) the new equity securities may be issued at a price that is at a discount to the market price for equity securities in the same class on the issue date.

This may have an effect on the amount of funds raised by the issue of the equity securities.

The table below identifies the potential dilution to existing Shareholders following the issue of equity securities under the Additional Placement Facility (based on the formula set out above) using different variables for the number of issued Shares and the market price of Shares.

<b>Number of Shares on issue</b>	<b>Share price</b>	<b>New Shares issued</b>	<b>Funds raised</b>	<b>Voting dilution</b>	<b>Economic dilution</b>
683,797,162 (Shares currently on issue / current variable 'A' in Listing Rule 7.1A)	\$0.008 (current market price)	68,379,716	\$547,038	10.00%	0.00%

The above table has been prepared on the following assumptions:

1. the current market price is the closing price at which Shares were traded on 11 October 2024, being \$0.008.
2. the current Shares on issue are the Shares at 11 October 2024, (being 683,797,162 Shares);
3. the Company issues the maximum number of Equity Securities available under the Additional Placement Facility;
4. the Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1 and Rule 7.1A, or subsequently ratified under Listing Rule 7.4 at this Meeting;
5. the issue of Equity Securities under the Additional Placement Facility consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities;
6. the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
7. existing Shareholders' holdings do not change from the date of this Meeting to the date of the issue under the Additional Placement Facility;
8. the impact of placements under Listing Rule 7.1 or following the conversion of convertible securities (e.g. Options, Performance Rights) is not included in the calculations; and
9. economic dilution (**ED**) is calculated using the following formula:

$$\mathbf{ED = (MP - (NMC / TS)) / MP}$$

where:

**MP** = the market price of shares traded on ASX, expressed in dollars;

**MC** = market capitalisation prior to issue of equity securities, being the MP multiplied by the number of shares on issue;

**NMC** = notional market capitalisation, being the market capitalisation plus the NSV;

**NSV** = new security value, being the number of new equity securities multiplied by the issue price of those equity securities; and

**TS** = total shares on issue following new Equity Security issue.

(e) **Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Additional Placement Facility.

The Company has not yet identified allottees to receive the equity securities under the Additional Placement Facility. However, they may include current Shareholders, new investors, or both. None of the allottees will be Related Parties or an 'associate' (as defined in the Listing Rules) of a Related Party.

Potential allottees will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the purpose of the issue;
- (ii) the methods of raising funds that are available to the Company including, but not limited to, an entitlements issue or other issue in which existing security holders can participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the financial situation and solvency of the Company;

- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Details of prior issues**

Shareholders approved an Additional Placement Facility at the Company's 2023 annual general meeting held on 21 November 2023.

For the purposes of Listing Rule 7.3A.6 the Company provides the following information in relation to Shares issued in the 12 months preceding the date of the Annual General Meeting, which were issued without prior Shareholder approval, using the Company's issue capacity under Listing Rule 7.1A.
